The DCEd program is a 30-semester hour program. Students may complete the program at their own rate of progress, with most students completing the program in approximately 12 to 18 months. The program is very accessible to both full-time and bi-vocational pastors, with all courses being available through ATS Distance Education Formats.

The DCEd program is specifically designed for Christian administrators who are under the umbrella of the church. Providing critical courses in both education and Christian counseling, the program is well-rounded and extremely practical
